

**1 February 2023**

**Confirmation of distribution rights: WorldsView as a Value Added Distributor for Autodesk**

WorldsView is the registered distributor of Autodesk software in Sub-Saharan Africa, responsible for distributing software through a network of approved Autodesk partners. This document confirms the business relationship between WorldsView Technologies and Autodesk, the established and reputable manufacturers of innovative design and engineering software solutions utilised across various industries.

We do hereby verify that WorldsView is the authorised Value Added Distributor for Autodesk and we confirm we can negotiate and supply all Autodesk solutions as needed through our network of authorised partners.

For any further information you may require, please contact us at [support@worldsvie.com](mailto:support@worldsvie.com).

Sincerely,  
**WorldsView Technologies**
